

IMMEDIATE RELEASE
November 14, 2014

Richland County Government Community Development Department partnered with Columbia Housing Development Corporation to construct a single family home in the Meadowlake Subdivision. This project is funded with HOME Investment Partnership funds and it is for sale to a qualified person whose household income is 80% or below the area median. We also offer down payment and closing cost assistance up to \$7,500 to the homebuyer. The projected construction completion date for the home is December 31, 2014.
