RICHLAND COUNTY COUNCIL DEVELOPMENT AND SERVICES COMMITTEE TUESDAY, JUNE 26, 2012 5:00 P.M.

In accordance with the Freedom of Information Act, a copy of the agenda was sent to radio and TV stations, newspapers, persons requesting notification, and was posted on the bulletin board located in the lobby of the County Administration Building.

MEMBERS PRESENT

- Member: Valerie Hutchinson
- Member: Bill Malinowski
- Member: Seth Rose
- Not Present: Gwendolyn Davis Kennedy Jim Manning

ALSO PRESENT: Kelvin E. Washington, Sr., Norman Jackson, Paul Livingston, Joyce Dickerson, Damon Jeter, Tony McDonald, Sparty Hammett, Randy Cherry, Brad Farrar, Amelia Linder, Tracy Hegler, David Hoops, Daniel Driggers, Geo Price, Dale Welch, Andy Metts, Stephany Snowden, Yanisse, Adrian Silva, Monique Walters, Michelle Onley

CALL TO ORDER

The meeting started at approximately 5:08 p.m.

APPROVAL OF MINUTES

<u>May 22, 2012 (Regular Session)</u> – Mr. Rose moved, seconded by Mr. Malinowski, to approve the minutes as distributed. The vote in favor was unanimous.

ADOPTION OF AGENDA

Mr. Malinowski moved, seconded by Mr. Rose, to approve the agenda as submitted. The vote in favor was unanimous.

ITEMS FOR ACTION

Roadway Lightning on State Right of Ways for Commercial Enhancement - Mr.

Malinowski moved, seconded by Mr. Rose, to hold this item in Committee and direct staff from Public Works, in conjunction with representatives from the Hotel Association, to provide additional information to committee. The vote in favor was unanimous.

Item# 1

Richland County Council Development and Services Committee June 26, 2012 Page Two

Delete County Review Fees for Family Property – Mr. Rose moved, seconded by Mr. Malinowski, to hold this item in committee and to request that Mr. Washington attend the July committee meeting to clarify the intent of his motion. The vote in favor was unanimous.

Direct Staff to contact Property Owners on Council Initiated Rezoning – Mr. Malinowski moved, seconded by Mr. Rose, to forward this item to Council with a recommendation to approve the amended motion and include the following language: "the property owner", as well as Council and staff, be involved in any consideration of potential impacts on Council initiated rezoning requests. The vote in favor was unanimous.

John Hardee Express Way Project Funding – Mr. Rose moved, seconded by Ms. Hutchinson, to forward this item to Council with a recommendation to approve the funding request resolution and to also add Representative Joe Wilson to the resolution. The vote in favor was unanimous.

Review of the Comprehensive Plan to ensure consistency – Mr. Malinowski moved, seconded by Ms. Hutchinson, to forward this item to Council with a recommendation to approve the recommendation to direct staff to review the Comprehensive Plan. The vote in favor was unanimous.

Broad River Sewer Monthly User Fees – Mr. Malinowski moved, seconded by Ms. Hutchinson, to hold this item in committee to obtain additional information from the County's Utilities Department and City of Columbia. The vote in favor was unanimous.

<u>Community Residential Care Facility Resolution to Richland County Legislative</u> <u>Delegation and SC General Assembly</u> – Mr. Rose moved, seconded Ms. Hutchinson, to forward this item to Council with a recommendation to approve submittal of the resolution to the Richland County Legislative Delegation, in conjunction with the South Carolina General Assembly. The vote in favor was unanimous.

<u>Road Right of Way and Acceptance Policy</u> – This item was deferred until the July committee meeting.

ADJOURNMENT

The meeting adjourned at approximately 6:04 p.m.

Submitted by,

Gwendolyn Davis Kennedy, Chair

The minutes were transcribed by Michelle M. Onley

MEMO

- To: D&S Committee
- Cc: Assistant Administrator Sparty Hammett
- From: David Hoops, Director
- Date: July 17, 2012
- Re: Interstate Intersection Lighting

Update on Interstate Intersection Lighting:

- 1. At the June 26, 2012 D&S Committee meeting there appeared to be some confusion about the lighting proposed for interstate intersections. Following are descriptions and typical costs of lighting options with attached pictures. I have reviewed the Broad River Road proposal which is for leasing of light fixtures installed on existing power poles. This approach cannot be utilized on an Interstate interchange and cannot be compared for costs.
 - a. Low Mount lights. These are typically along low speed roadways. Due to the low mounting height the area illuminated is small, requiring the poles to be located close to the edge of the roadway. This close mounting location results in the need to protect the poles and vehicles from impact with curbing or guardrail. Due to the need for protection and the small area illuminated this style of light is not normally used along high speed roadways.

b. **Mast Pole lights** (high mount) These lights are very efficient at lighting large areas, such as intersections. Due to the large area illuminated they can be located away from the edge of roadways, not needing to be protected from impact. Although considerably more expensive per unit, it may take 10-15 low mount fixtures to illuminate the area covered by a mast pole.

- 2. Installation costs.
 - i. Low Mount lights. These installations typically cost **\$2,500 per unit**. The additional cost of providing power and traffic protection are site specific and cannot be determined at this time. The provision of power will be higher than for a mast unit due to the multiple locations. As noted above, many more fixtures are required to equal the coverage of one Mast Pole light.
 - ii. Mast Pole lights. These installations typically cost **\$100,000 per unit**. The additional cost of providing power is site specific and cannot be determined at this time.
- 3. Maintenance and power costs. SCDOT was contacted regarding their support of these costs after installation. At the time of the preparation of this report we had not received a response.

Richland County Council Request of Action

<u>Subject</u>

Delete the requirement of review fees for Family Property (pages 10-14)

<u>Reviews</u>

Richland County Council Request for Action

Subject: <u>Amending "Section 26-224, Certain subdivisions exempt from road standards" (family property) so as to delete the requirement of review fees.</u>

A. Purpose

County Council is requested to consider a motion to amend Section 26-224, to remove the requirement of review fees when an applicant proposes to subdivide what is commonly referred to as "family property".

B. Background / Discussion

On November 15, 2011, County Council enacted Ordinance No. 064-11HR, which allows the planning director, or his/her designee, to exempt subdivisions from the road construction requirements of Sec. 26-181 if the property is being transferred to the owners' immediate family members or is being transferred by will or intestate succession or forced division decreed by appropriate judicial authority. Subsection (e) includes this provision:

"the proposed subdivision of land shall not be exempted from any other minimum standard set forth in this chapter, including any and all review fees, minimum lot size, etc."

On April 17, 2012, a motion was made by the Honorable Kelvin Washington, as follows:

"I move to direct staff to draft an ordinance that would delete any county review fees for family property (Section 26-224 of the Land Development Code), retroactive to November 15, 2011".

A draft ordinance is attached that deletes the review fees.

C. Financial Impact

The County would not receive the fees that it would have if the ordinance is not amended. For example, typical review fees are \$400 per application, and if the Planning Department received 5 applications per year, the loss of revenue would be \$2,000 per year. However, this amount could vary from year to year.

D. Alternatives

- 1. Approve the amendment to Section 26-224, and delete the requirement of review fees retroactive to November 15, 2011.
- 2. Do not approve the amendment, thereby requiring a \$400 review fee to be paid when an applicant submits a plan to subdivide "family property".

STATE OF SOUTH CAROLINA COUNTY COUNCIL FOR RICHLAND COUNTY ORDINANCE NO. ___-12HR

AN ORDINANCE AMENDING THE RICHLAND COUNTY CODE OF ORDINANCES, CHAPTER 26, LAND DEVELOPMENT; ARTICLE X, SUBDIVISION REGULATIONS; SECTION 26-224, CERTAIN SUBDIVISIONS EXEMPT FROM ROAD STANDARDS; SO AS TO DELETE THE REQUIREMENT OF COUNTY REVIEW FEES.

Pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ENACTED BY THE COUNTY COUNCIL FOR RICHLAND COUNTY:

<u>SECTION I.</u> The Richland County Code of Ordinances, Chapter 26, Land Development; Article X, Subdivision Regulations; Section 26-224, Certain Subdivisions Exempt From Road Standards; is hereby amended to read as follows:

Sec. 26-224. Certain subdivisions exempt from road standards.

The planning director, or his/her designee, may exempt subdivisions from the road construction requirements of Sec. 26-181 of this chapter only if the property is being transferred to the owners' immediate family members or is being transferred by will or intestate succession or forced division decreed by appropriate judicial authority. The subdivider must submit legal documentation satisfactory to the planning director, or his/her designee, in order to establish eligibility for this exemption. In addition, the subdivider must submit a "Hold Harmless Agreement" as to Richland County. This exemption shall apply only to initial division of property, not to subsequent sale or further subdivision by the heirs, devisees, or transferees. Plats of subdivisions so exempted shall show an ingress/egress easement providing access to all parcels, and shall contain the following information:

- (a) Names of owners of each parcel being created; and
- (b) Purpose of the subdivision; and
- (c) A note stating that "ROAD ACCESS NOT PROVIDED"; and
- (d) A note stating "THESE LOTS/PARCELS MAY NOT BE FURTHER SUBDIVIDED UNTIL ROAD ACCESS IS PROVIDED AND A REVISED PLAT IS APPROVED BY RICHLAND COUNTY".
- (e) Should the planning director, or his/her designee, exempt a proposed subdivision from the construction of the private roadway, the property shall also be exempt from delineation of jurisdictional and non-jurisdictional wetlands (for purposes of approving the plat for recordation only; this section shall not supersede any state and/or federal requirement for construction in, around or through a jurisdictional wetland or flood zone). In the situation that a property owner requests exemption from road construction as outlined in this section, the property owner shall sign a statement that he/she understands

Item# 3

that the proposed subdivision of land shall not be exempted from any other minimum standard set forth in this chapter, including any and all review fees, minimum lot size, etc.; provided, however, all Planning Department subdivision plan review fees shall be waived.

<u>SECTION II.</u> <u>Severability</u>. If any section, subsection, or clause of this ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections, and clauses shall not be affected thereby.

<u>SECTION III.</u> <u>Conflicting Ordinances Repealed</u>. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

<u>SECTION IV.</u> <u>Effective Date</u>. This ordinance shall be effective retroactively from and after November 15, 2011.

MEMORANDUM

July 26, 2012

TO: D & S Committee Members

FROM: Andy H. Metts, Utilities Director

SUBJECT: Broad River Sewer Monthly User Fees

The Utilities Department and Finance Department staff are working together to collect data, develop an implementation plan and estimate the cost of possibly converting the current sewer monthly user fee from a flat rate to one based upon water consumption. Some information has been collected but other information is still pending and is dependent upon a third party response. Discussions with the third parties are continuing and a plan will be presented to the D&S Committee as soon as it is complete.

The following are task completed to date:

- The Finance Department Staff has contacted several other counties and requested information on water and sewer rates in those counties. This information is compiled in a spreadsheet for further review and comparison.
- The Utilities Department has had several discussions with members of the City of Columbia Utilities Staff. As discussions proceeded through the chain-of-command, it may be possible for the City to provide the County with the water usage data needed to implement a sewer rate based on water consumption. Early indications are that the City would charge the County a fee for extracting the data and delivering this information to the County on a monthly basis.

Currently discussions are being held between the County staff and the City's IT staff to first, determine the format required for the data and then determine if the format is possible, and if so, at what cost to the County.

• Data has been collected on the cost of installation of water meters on private wells if those customers elect to install a water meter.

Item# 4

Broad River Monthly User Fees July 26, 2012 Page 2

÷

4

The following tasks are pending completion:

- Continued discussions with the City of Columbia on format and cost to provide water usage data on a monthly basis.
- Continue discussions with other public and private water providers in the area to determine if water usage data can be obtained.
- Develop final cost and specifications on individual water meter installations if the customers elect to install meters.
- Develop staffing and equipment requirements to collect and use water usage data.
- Develop cost to modify customer billing system to incorporate a new rate structure.
- Prepare a final implementation for package for consideration by the D&S Committee.

Information continues to be collected, reviewed and analyzed on the above described task.

Richland County Council Request of Action

<u>Subject</u>

Road Right-of-Way Acceptance Policy (pages 19-22)

<u>Reviews</u>

Richland County Council Request of Action

Subject: Road Right of Way and Acceptance Policy

A. Purpose

Develop a policy to guide Public Works staff for:

- 1. The acquisition of Right of Way for the improvement of County maintained roads presently in prescriptive easements.
- 2. The acceptance of existing improved roads not accepted into the maintenance system.

B. Background / Discussion

At the 2012 County Council Retreat, the need to develop a County right of way policy for road improvements in prescriptive easements and an unaccepted road policy was discussed with Council. In addition, Chairman Washington has indicated that Public Works should be working to obtain right of way for dirt road paving in the event that funding becomes available. The proposed policies would give staff direction in regard to right of way for dirt roads and the acceptance of existing paved roads into the County maintenance system.

- 1. Richland County has 211 miles of dirt roads in its maintenance system that are not in publicly owned right of ways (prescriptive easements). To expend public funds for improvements to these roads publicly owned right of ways must be acquired. A systematic approach needs to be developed to acquire those right of ways.
 - a. Unimproved roads maintained by RC without right of way are claimed to be public roads by proscriptive easement. Maintenance responsibility is created by section 21-5. Note that subsection (a) states *dedicated for public* use and (c) comprising the land actually maintained. Also note that subsection (h) states Any unpaved road deeded to the county under these provisions may be eligible for "C" fund improvements.
- 2. Richland County has 114 miles of paved roads that were not taken into the maintenance system. In most instances the original intent was to create a public road but either the developer or the County failed to complete the acceptance process. If the County is to consider accepting these roads for maintenance a systematic approach needs to be developed. This area falls under *Sec. 21-6. Standards for streets and drainage*.

Except as provided for in sections 21-4 and 21-5 above, only those streets, roads, and drainage systems designed and constructed in accordance with the standards prescribed herein will be accepted for maintenance by the County.

C. Financial Impact

This policy has no direct financial impact but could increase the future cost of roadway maintenance.

D. Alternatives

The do nothing alternate would result in:

- 1. Not being able to improve existing county maintained dirt roads in prescriptive easements. Roads can only be accepted for maintenance when they have been improved at the cost of the benefiting property owners to new road standards
- 2. Only being able to accept existing paved roads for maintenance that meet present code and are in like new condition.

Change policy and regulations if necessary to give staff appropriate directions to address these issues.

E. Recommendation

Change policy and regulations as follow:

- 1. **Prescriptive easements** Establish a policy as follows
 - *i.* Residents petition for improvement of the road on which their property is accessed. All property owners from which right of way will be required must participate on the petition.
 - *ii.* Public works will perform a preliminary study and create a right of way plan and deed documents.
 - *iii.* Upon receipt and recording of all necessary right of way deeds the project will be placed on the pending project list to be addressed when funds are available.
 - *iv.* All right of way must be donated by the property owners, no right of way will be purchased without specific direction of council.
 - b. Existing unaccepted paved roads Establish a policy as follows:
 - *i.* If development records exist. *If records indicate the intent during development was to accept for public maintenance and the road is in conformity to the standards at that time of construction <u>accept for maintenance.</u>*
 - *ii.* If records do not exist. If the roadway is in conformity with standards at the time of construction and in a physical condition appropriate for its age and use <u>accept for maintenance</u>.
 - iii. If road was not constructed to standards of the time or has deteriorated beyond normal use it can be reconstructed at the expense of the benefitting property owners in accordance with section 21-5 (h)

(h) Any road in the county, including those created as a part of a private driveway subdivision pursuant to the county's land development regulations, may be accepted by the county and brought up to paved or unpaved road standards as set forth in this article; provided that eighty percent (80%) of all property owners within the subdivision agree to same and that all costs incurred by the county to bring the road up to county paved or unpaved standards are paid by the property owners. Such costs may be included as an assessment on the tax bill of the property owners, to be paid over no more than a 15 year period with an interest charge equal to that paid by the county for bonds issued to fund construction. The total costs plus interest of the improvements shall be allocated between the property owners by each lot being assessed an equal share of the costs and interest. Any unpaved road deeded to the county under these provisions may be eligible for "C" fund improvements. This section appears to allow improvement to a dirt road standard that could then be upgraded to paved with C funds.

Comments regarding recommendation:			

Recommendation is based on the evaluation and review of the Public Works Director. The financial sections states that the policy does not have any direct financial impact on the County however, it could increase the future cost of roadway maintenance therefore I would recommend that the policy include the estimated impact of the future maintenance cost on the system.

Comments regarding recommendation:

Under state law, to claim a prescriptive easement on a property, the County would need to prove that it had maintained the property for public use for a period of twenty years under a claim of right or adverse to the property owner's interests. If that is proven, then the County has a legal right to the property, even without a deed or right-of-way. The right-of-way would put the County in a substantially better legal position, and obviate the need to file a Quiet Title action, whereby the Court declares who the legal owner is.

Reported Offenses by County Council District CY2009, CY2010, CY2011, and 2012YTD

Please note the following when referencing data in the attached tables:

- Crime numbers are dynamic and are subject to change daily.
- Data in these tables is current through July 10, 2012.
- This data reflects the number of reported offenses by crime type, not the number of incident reports, the number of victims, or the number of calls for service.
- County council districts vary in area and population and comparisons between districts are not feasible.
- Only offenses reported to the Richland County Sheriff's Department are included in this data. Crime in municipalities is not included.
- For the tables referencing crime between 2:01 AM and 7:00 AM, only offenses with a midpoint time (average of start time and end time) between 2:01 AM and 7:00 AM are included.

Crime type specific notes:

- Criminal offenses reported to the Richland County Sheriff's Department are coded according to SCIBRS (South Carolina Incident Based Reporting System) offense codes.
 - According to SCIBRS:
 - <u>All Other Larceny</u>: All thefts which do not fit any of the definitions of other larceny subcategories.
 - <u>All Other Offenses</u>: All criminal offenses that are not Group A offenses and are not specifically included in any other Group B offense category.
- Non-criminal offenses reported to the Richland County Sheriff's Department are coded using in-house codes.
 - According to in-house codes:
 - <u>Other, Civil:</u> All non-criminal civil offenses.
 - <u>Other, Domestic:</u> All non-criminal domestic offenses.
 - <u>Other, Insurance:</u> All non-criminal insurance-related offenses.
 - <u>All Other Responses:</u> All other non-criminal offenses.

Amendment to Thomas and Hutton Contract for Floodplain Remapping (pages 48-49)

<u>Reviews</u>

Subject: Amendment to Thomas & Hutton Contract for Floodplain Re-Mapping

A. Purpose

County Council is requested to approve an amendment in the amount of \$61,600 to the existing contract with Thomas & Hutton to Re-Map the Gills and Crane Creek Flood Insurance Rate Maps (FIRMs) in Zone AE areas. The additional funds will be used to more accurately reflect the effect of the existing dam discharges on the floodplain area.

B. Background / Discussion

Richland County entered into an agreement (PO CPS 10014) with Thomas & Hutton to re-map the Zone AE areas of the Gills and Crane Creek watersheds in FY 2009. During the implementation of the contract the Federal Emergency Management Agency (FEMA) and the South Carolina Department of Natural Resources (SCDNR) began another county wide remapping of the FIRMs projected to be completed in April 2013. In order to incorporate the Thomas & Hutton study into the FEMA/SCDNR work the county would like to amend the current contract to more accurately address the effect of the dams on the flood zones. This work (\$61,600) is not required by FEMA/SCDNR although recommended because the data used to generate the existing dam discharges is out dated. More recent, precise and accurate dam discharge data will enhance floodplain definition and save the county residents significant amounts on flood insurance and increase property sales where structures are removed from the floodplain. By incorporating the Thomas & Hutton information into the FEMA/SCDNR remapping effort the county will save a significant amount of staff time and money because FEMA/SCDNR will QA/QC the product, provide public meetings, promulgate announcements and comments as well as address any direct potential appeals of the re-mapping efforts.

C. Financial Impact

PO CPS 10014; Thomas & Hutton; Re-mapping for Gills and Crane Creek Floodplain Original Contract: \$114,400 Recommended Amendment Amount: \$61,600

The \$61,600 will be taken from the Stormwater Management Fund.

D. Alternatives

- 1. Approve the request to amend the existing contract with Thomas & Hutton to Re-Map the Gills and Crane Creek FIRMs in Zone AE areas by \$61,600.
- 2. Do not approve, the FIRMs for the Gills and Crane Creek watersheds are re-mapped with existing, not new dam discharge data for the overall re-mapping due in April 2013.

E. Recommendation

1. It is recommended that Council approve the request to amend the existing contract with Thomas & Hutton to Re-Map the Gills and Crane Creek FIRMs in Zone AE areas by \$61,600 to include revised dam discharge data.

Subject: Amendment to Thomas & Hutton Contract for Floodway Re-Mapping

A. Purpose

County Council is requested to approve an amendment in the amount of \$27,500 to the existing contract with Thomas & Hutton to Re-Map the Gills and Crane Creek Floodplain in Zone AE areas. The additional funds will be used to delineate floodways within the watersheds as required for incorporation into the Flood Insurance Rate Maps (FIRMs).

B. Background / Discussion

Richland County entered into an agreement (PO CPS 10014) with Thomas & Hutton to re-map the Zone AE areas of the Gills and Crane Creek watersheds in FY2009. During the implementation of the contract the Federal Emergency Management Agency (FEMA) and the South Carolina Department of Natural Resources (SCDNR) began another county wide remapping of the FIRMs projected to be completed in April 2013. In order to incorporate the Thomas & Hutton study into the FEMA/SCDNR work the county needs to amend the current contract to include the delineation of floodways. The floodway delineation is required for incorporation into the FEMA/SCDNR re-mapping effort and is not currently included in the contract. By incorporating the Thomas & Hutton information into the FEMA/SCDNR remapping effort the county will save a significant amount of staff time and money because FEMA/SCDNR will QA/QC the product, provide public meetings, announcements and comments as well as address any direct potential appeals of the re-mapping efforts.

C. Financial Impact

PO CPS 10014; Thomas & Hutton; Re-mapping for Gills and Crane Creek Floodplain Original Contract: \$114,400 Recommended Amendment Amount: \$27,500

The \$27,500 will be taken from the Stormwater Management Fund.

D. Alternatives

- 1. Approve the request to amend the existing contract with Thomas & Hutton to Re-Map the Gills and Crane Creek Floodway (Zone AE) for incorporation into the FIRMs by \$27,500.
- 2. Do not approve, the FIRMs for the Gills and Crane Creek watersheds are not re-mapped along with most of the county during the FEMA/SCDNR re-mapping projected to be completed in April 2013.

E. Recommendation

1. It is recommended that Council approve the request to amend the existing contract with Thomas & Hutton to Re-Map the Gills and Crane Creek FIRMs in Zone AE areas by \$27,500.

Council District Limits centered on County Maintained Roads (pages 54-73)

<u>Reviews</u>

Subject: Council District limits centered on County Maintained Roads

A. Purpose

Establish policy for County Maintained roads located in multiple council districts.

B. Background / Discussion

Due to recent redistricting, Public Works is preparing to reorganize and update the county road spread sheets that are utilized to prioritize paving projects. It has come to our attention that some of the new district limits now fall on the centerline of County maintained roads. If we explicitly follow the district lines portions of some roads, split along the centerline, will fall in more than one district. This could cause difficulties when allocating funds for future projects as priorities could differ in the adjacent districts, placing the portion of the road in one district on a project but the portion in the adjacent district not being prioritized high enough to be included in the project.

C. Financial Impact

None

D. Alternatives

- 1. Place any roads split by council districts in the district containing the majority of the road.
- 2. Use the priority rating of the district containing the majority of the road for the entire road.
- 3. Use the priority rating of the district containing the majority of the road to establish the project priority and require the minority district to participate.
- 4. List roads as they now appear on district maps and determine funding effect when issue arises.
- 5. Other solutions as determined by Council.

E. Recommendation

It is important that projects be constructed to logical termini. Projects should not be terminated midblock and definitely should not be constructed half width. Public Works recommends option 3, use the priority rating of the district containing the majority of the road to establish the project priority and require the minority district to participate.

Amendment to Parking Regulation (pages 75-79)

<u>Reviews</u>

Subject: <u>To amend Section 17-10 of the Richland County Code of Ordinances dealing with</u> parking in residential zones so as to define the vehicles subject thereto

A. Purpose

This request is, per Mr. Manning's motion, to amend Section 17-10 of the Richland County Code of Ordinances dealing with parking in residential zones so as to define the vehicles subject thereto.

B. Background / Discussion

During the Motion Period of the July 18, 2012, County Council meeting, Mr. Manning made the following motion:

I move to amend Richland County Code Section 17-10: "An ordinance Amending the Richland County Code of Ordinances; Chapter 17, Motor Vehicles and Traffic; Article II, General Traffic and Parking Regulations; Section 17-10, Parking in Residential Zones; so as to define vehicles subject thereto" as specified in the attached document.

The draft ordinance includes many changes to section 17-10 and is attached for your reference.

C. Financial Impact

No known financial impact.

D. Alternatives

- 1. Adopt the ordinance amendment
- 2. Do not adopt the ordinance amendment.
- 3. Adopt the ordinance with revisions.

E. Recommendation

Council Discretion.

STATE OF SOUTH CAROLINA COUNTY COUNCIL FOR RICHLAND COUNTY ORDINANCE NO. ____-12HR

AN ORDINANCE AMENDING THE RICHLAND COUNTY CODE OF ORDINANCES; CHAPTER 17, MOTOR VEHICLES AND TRAFFIC; ARTICLE II, GENERAL TRAFFIC AND PARKING REGULATIONS; SECTION 17-10, PARKING IN RESIDENTIAL ZONES; SO AS TO DEFINE VEHICLES SUBJECT THERETO.

Pursuant to the authority granted by the Constitution and the General Assembly of the State of South Carolina, BE IT ENACTED BY THE COUNTY COUNCIL FOR RICHLAND COUNTY:

<u>SECTION I.</u> The Richland County Code of Ordinances; Chapter 17, Motor vehicles and traffic; Article II, General traffic and parking regulations; Section 17-10 is hereby amended to read as follows:

Sec. 17-10. Parking in residential and commercial zones of the county.

(a) It shall be unlawful for a truck tractor, a semi-trailer, or a trailer to be parked on any public street, road, or as otherwise prohibited by the Richland County Code of Ordinances in the unincorporated portions of the county which are or hereafter shall be designated as Rural Residential, Single-Family Residential, Manufactured Home, or General Residential under the Richland County Zoning Ordinance and the "Zoning Map of Unincorporated Richland County," as amended. For the purpose of this section, the following definitions shall apply:

(1) *Truck tractor* means every motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and the load drawn.

(2) *Semi-trailer* means every vehicle, with or without motive power, designed for carrying persons or property and for being drawn by a motor vehicle and [so]constructed that some part of its weight and that of its load rests upon or is carried by another vehicle.

(3) *Trailer* means every vehicle, with or without motive power, designed for carrying persons or property and for being drawn by a motor vehicle and constructed that no part of its weight rests upon the towing vehicle; provided, however, that a "utility trailer" used solely for the transportation of the user's personal property, not in commerce, which does not exceed a gross weight of 10,000 pounds, or a manufacturer's gross vehicle weight rating (GVWR) of 10,000 pounds, may be kept in the user's residential backyard.

(4) *Vehicle* means every device in, upon, or by which a person or property is or may be transported or drawn upon a highway, except devices moved by human power or used exclusively upon stationary rails or tracks.

(5) *Motor Vehicle* means every vehicle which is self-propelled, except mopeds, and every vehicle which is propelled by electric power obtained from overhead trolley wires, but not operated upon rails.

(b) Except as is provided in subsection (c), below, it shall be unlawful for any truck tractor, semi-trailer or trailer to be parked, stored or located on a lot in any residential zoning district in the

Item# 10

unincorporated areas of the county [except for those parcels that are five (5) acres or greater in the (RU) Rural zoning district] unless such truck tractor, semi-trailer or trailer is parked, stored or located in an enclosed garage or in a carport at the residence where it is parked, stored or located.

(c) Active loading, unloading and service provision exception: Notwithstanding subsections (a) and (b), above, truck tractors, semi-trailers or trailers that are in active use in the provision of a service or delivery or removal of property or material at or from a residence in a residential zoning district may park on the public street, road, right-of-way or lot at which the service is being provided or the delivery or removal is being made, for only the duration of the service provision or delivery or removal as provided for herein. For purposes of this section, "active loading or unloading" shall include, but not be limited to, the delivery or removal of furniture, yard trash or debris, household or building materials, tangible personal property and the like, evidenced by the active involvement (*e.g.*, the loading, unloading, service provision or supervision thereof) of the owner, operator, delivery personnel, service provider, or other person responsible for parking or causing to be parked the truck tractor, semi-trailer or trailer while the truck tractor, semi-trailer or trailer is parked on the public street, road, right-of-way or lot subject to this section. For purposes of this section, "active loading and unloading" does not include parking or "staging" a truck tractor, semi-trailer or trailer or trailer or trailer, leaving the same unattended and then engaging in loading, unloading, removal or service provision at a subsequent point.

(d) It shall be unlawful for a vehicle, motor vehicle, or wheeled conveyance of any kind required by law to be licensed that is unlicenced, or is displaying an expired or invalid license to be parked on any public street or road, or as otherwise prohibited by the Richland County Code of Ordinances in the unincorporated portions of the county which are or hereafter shall be designated as Rural Residential, Single-Family Residential, Manufactured Home, or Multi-Family Residential under the Richland County Zoning Ordinance and the "Zoning Map of Unincorporated Richland County," as amended.

(e) All motor vehicles or trailers without a valid state-issued license plate permitting operation on public roads and highways, which are stored, parked or located on a lot in any zoning district in the unincorporated areas of the county, except for those parcels that are five (5) acres or greater in the (RU) Rural zoning district, are required to be kept in a garage, carport, or protected from the elements by a fitted cover; provided, however, in the case of a vehicle protected from the elements by a cover, such vehicle shall not be visible from the public right-of-way. Licensed automobile dealerships, persons licensed to conduct businesses involving storage and sale of junk and scrap, trailers utilized as temporary structures in conjunction with construction activities, and vehicles used in agricultural operations and which are not operated on the public roads and highways are exempt.

(f) Any motor vehicle or trailer that is not capable of operating in accordance with South Carolina law or capable of moving under its own power (even if it has a valid state-issued license plate permitting operation on public roads and highways) shall not be stored, parked, or located on a lot in any residential or commercial zoning district in the unincorporated areas of the county (except for those parcels that are five (5) acres or greater in the (RU) Rural zoning district) for more than thirty (30) consecutive days during any calendar year unless it is kept in an enclosed garage, in a carport, or protected from the elements by a fitted cover; provided, however, in the case of a vehicle protected from the elements by a cover, such vehicle shall not be visible from the public right-of-way.

(g) *Penalties.* Unless otherwise prescribed by law, any owner of a motor vehicle and/or trailer violating the provisions of this section shall be deemed guilty of a misdemeanor.

(h) *Administration and enforcement*. The Sheriff of Richland County shall be authorized to enforce the provisions of this section and to engage a towing service to remove any vehicle parked in violation of these regulations, provided the cost of towing services shall be charged to the registered owner of any vehicle so removed.

<u>SECTION II.</u> <u>Severability.</u> If any section, subsection, or clause of this ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections, and clauses shall not be affected thereby.

<u>SECTION III.</u> <u>Conflicting Ordinances Repealed.</u> All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION IV. Effective Date. This ordinance shall be effective from and after
