Project Identification Number	527600e
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.18-Housing Support: Other Housing Assistance
Status To Completion	Completed 50% or more
Adopted Budget	\$200,000.00

Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$200,000.00
Total Cumulative Expenditures	\$200,000.00
Current Period Obligations	\$100,000.00
Current Period Expenditures	\$0.00
Project Description	Transitions is the largest and most comprehensive provider of homeless services in Columbia. This program provides supportive services for clients to transition into permanent housing and financial stability. Transitions provides individually tailored services to the needs, abilities, and commitment levels of the clients. It provide shelter, nutritious meals, and basic hygiene supplies. With the assurance of shelter and meals through our residential programs, clients can focus on obtaining employment, disability services, or necessary healthcare. Case managers link clients with resources and “wrap-around services” specific to the clients’ needs and circumstances. Partnering with other agencies to provide medical, mental health, legal, and other services to meet clients on-site. Transitions’ facilities operate 24/7, 365 days a year. Transitions also staff Columbia’s Inclement Weather Center for all homeless Richland County residents when it is open.
Please identify the dollar amount of the total project spending that is allocated towards evidence-based interventions	\$0.00
Is a program evaluation of the project being conducted?	Yes
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	7 Imp Other HHs or populations that experienced a negative economic
Secondary Impacted and/or Disproportionately Impacted populations	20 Dis Imp Other HHs or populations that experienced a disproportionate
Is a program evaluation of the project being conducted?	Yes
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Since the onset of the pandemic Transitions has opened its doors to more people who have lost their homes, served additional meals to families who could no longer provide a hot meal. Transitions serves homeless men & women ages 18 and older. Transitions service encompasses 29% of SC’s homeless population. Which are residents of Richland County, which has the state’s largest homeless population. Transitions also link client to medical services should a client want to be vaccinated.
Brief description of recipient’s approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Transitions is the largest and most comprehensive provider of homeless services in Columbia. Transitions provides individually tailored services to the needs, abilities, and commitment levels of the clients. It provide shelter, nutritious meals, and basic hygiene supplies along with obtaining employment. This program provides supportive services to transition into permanent housing & financial stability.

Project Name: Palmetto AIDS Life Support

Project Identification Number	527600g
-------------------------------	---------

Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.9-COVID-19 Assistance to Non-Profits
Status To Completion	Completed
Adopted Budget	\$70,000.00
Total Cumulative Obligations	\$70,000.00
Total Cumulative Expenditures	\$70,000.00
Current Period Obligations	\$0.00
Current Period Expenditures	\$70,000.00
Project Description	PALSS provides free, confidential HIV testing with results in less than an hour. It provides STI screening for syphilis, gonorrhea, Chlamydia, and Hepatitis C, as well as vaccinations for Hepatitis A and Hepatitis B. PALSS provide targeted prevention education and community training for HIV, TB, and Hepatitis; HIV and TB outreach and screening, The dedicated staff will help with counselling, referrals to care and support groups. PALSS has provided care to thousands of people living with HIV. They provide housing, case management; community-based HIV/STI counseling, testing, and referral services; comprehensive risk counseling services; client advocacy; support groups; education about emergency contraceptives; emergency financial assistance for housing issues; an emergency food pantry; and transportation assistance through targeted programs.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	14 Dis Imp Low income HHs and populations
Secondary Impacted and/or Disproportionately Impacted populations	20 Dis Imp Other HHs or populations that experienced a disproportionate
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Goal 1: Increase access to HIV/STI/Hepatitis/COVID19 counseling, testing, and education for rural and hard-to-reach populations, Goal 2: Increase access to housing and housing support services to persons living with HIV in Richland County, and Goal 3: Increase access to HIV primary care and prevention services for persons diagnosed with HIV /STI/Hepatitis C.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	COVID19 still influences how services are being provided. PALSS continues to limit the number of persons physically in the office at any given time. We can only transport one client at a time due to COVID concerns. Transportation is an issue even without the burden of COVID concerns.
Number of Non-Profits served (by program if recipient establishes multiple separate non-profit assistance programs)	1

Project Name: Communities in Schools of the Midlands

Project Identification Number	527600h
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.9-COVID-19 Assistance to Non-Profits
Status To Completion	Completed
Adopted Budget	\$70,000.00

Total Cumulative Obligations	\$70,000.00
Total Cumulative Expenditures	\$70,000.00
Current Period Obligations	\$70,000.00
Current Period Expenditures	\$0.00
Project Description	Communities In Schools of the Midlands (CISM) provides equal and equitable opportunities for students, families, and communities that face extreme poverty rates, increased homeless population in youth aged 17-24, and rural areas schools with high dropout rates.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	6 Imp For services to address lost instructional time in K-12 schools
Secondary Impacted and/or Disproportionately Impacted populations	2 Imp Low or moderate income HHs or populations
Tertiary Impacted and/or Disproportionately Impacted populations	9 Imp Classes of SBs designated as negatively economically impacted
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Communities In Schools of the Midlands goals and objectives include continuing to bring resources inside of rural area low-performing schools to improve the outcomes of disadvantage young children. Integrated Student Support (ISS) is a model used to coordinate intervention services and basic needs students need to thrive in a learning environment. The long-term provide wraparound services to disadvantaged youth and rural area community schools and school districts.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	The services provided by Communities in Schools: Life skills, Family Engagement Service to households lacking high school diploma and live in concentrated poverty, academic assistance, youth in need of food services, experiencing trauma and social challenges, learning disruption, learning loss and the lack of access to basic needs
Number of Non-Profits served (by program if recipient establishes multiple separate non-profit assistance programs)	1

Project Name: Richland County Recreation Commission

Project Identification Number	527600a
Project Expenditure Category	2-Negative Economic Impacts
Project Expenditure Subcategory	2.35-Aid to Tourism Travel or Hospitality
Status To Completion	Completed 50% or more
Adopted Budget	\$1,706,439.00
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$337,030.00
Total Cumulative Expenditures	\$168,515.00
Current Period Obligations	\$168,515.00
Current Period Expenditures	\$0.00
	The surge has shown what proper planning, adaptability, and using science can do to thrive in such uncertain

Project Description	circumstances. Playing tennis can provide fairly extensive social interactions. It allows players to interact with each other and talk to folks while playing. Tennis has also provide a pleasant surprise, it has increasing diversity and creating advocacy for the sport. This recreation program promotes community health and wellness, access to quality recreation facilities and connects to communities of all ages, races, and economic income populations. The tennis courts successfully fulfills a couple of priorities: 1) it address the tourism component since tennis leagues, regional, state, and national competitions are held at this facility, 2) it address one of the COVID-19 barriers, of being confined in a small space and spreading the virus.
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Secondary Impacted and/or Disproportionately Impacted populations	2 Imp Low or moderate income HHs or populations
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	Tourism is one of the sectors most affected by the Covid-19 pandemic, impacting economies, livelihoods, public services & social connections. The goal of this project was to provide an alternative safe environment for all citizens to interact without putting others at risk. It created an option for citizens to come together, exercise while maintaining a social distancing.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	This project successfully fulfills several priorities: 1) it address the tourism component since tennis leagues, regional, state, and national competitions are held at this facility, 2) it address one of the COVID-19 barriers, of being confined in a small space & spreading the virus. This recreation program promotes community health & wellness, access to quality recreation facilities & connects to communities of all ages, races, & economic income populations.

Project Name: Testing Incentative

Project Identification Number	526715
Project Expenditure Category	1-Public Health
Project Expenditure Subcategory	1.1-COVID-19 Vaccination
Status To Completion	Completed
Adopted Budget	\$22,568,059.50
Program Income Earned	\$0.00
Program Income Expended	\$0.00
Total Cumulative Obligations	\$25,397.50
Total Cumulative Expenditures	\$25,397.50
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	Community Outreach - COVID-19 Vaccination
What Impacted and/or Disproportionally Impacted population does this project primarily serve?	1 Imp General Public
Secondary Impacted and/or Disproportionately Impacted	

populations	2 Imp Low or moderate income HHs or populations
Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced	The objective to encourage those who were not vaccinated and to provide services in the high risk /disenfranchised communities.
Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Under the U.S. Department of the Treasury's Coronavirus State & Local Fiscal Recovery Funds interim final rule published in the Federal Register on May 17, 2021 (86 FR 26786), recipients were allowed to respond to the COVID-19 public health emergency, including expenses related to COVID-19 vaccination programs. 31 CFR 35.6(b)(1)(i). The cost of the program provided incentives reasonably expected to increase the number of people who choose to get vaccinated.

Project Name: Richland County ARP Essential Workers Premium Pay

Project Identification Number	511700
Project Expenditure Category	4-Premium Pay
Project Expenditure Subcategory	4.1-Public Sector Employees
Status To Completion	Completed
Adopted Budget	\$7,314,480.66
Total Cumulative Obligations	\$7,314,480.66
Total Cumulative Expenditures	\$7,314,480.66
Current Period Obligations	\$0.00
Current Period Expenditures	\$0.00
Project Description	Richland County Council approved to authorize COVID-19 pandemic "premium pay" for the County's frontline and essential workers through June 30, 2022. The premium/hazard pay comes from funds allocated to the County through the federal American Rescue Plan.
Sectors Designated as Essential Critical Infrastructure Sectors	Those eligible for the pay include police, firefighters, sanitation workers, and the Emergency Medical Service Department and other essential workers.
Number of workers to be served	1,673
Premium Pay Narrative	American Rescue Plan specifically authorizes premium pay for county employees and other essential workers who have not been compensated for working throughout the course of the COVID-19 pandemic. These employees worked regardless of the circumstances to serve the citizens of Richland County.
Number of workers to be served with premium pay in K-12 schools	0

RECOVERY PLAN PERFORMANCE REPORT UPLOAD

Recover

States, Territories, Metropolitan cities, and Counties with a population that exceeds 250,000 residents are required to publish and submit to Treasury an annual Recovery Plan Performance Report. This reporting requirement includes uploading the recipient's Recovery Plan and entering a link to the publicly available document.

Recovery Plans should provide a high-level overview of your jurisdiction's intended uses of funding, including, but not limited to, the plan for use of funds to promote a response to the pandemic and economic recovery, key outcome goals, progress to date on those outcomes, and any noteworthy challenges or opportunities identified during the reporting period.

Official Certification

I certify that the information provided is accurate and complete after reasonable inquiry of people, systems, and other information available to the SLFRF recipient. The undersigned acknowledges that any materially false, fictitious, fraudulent statement, or representation (or concealment or omission of a material fact) in this submission may be the subject of criminal prosecution under the False Statements Accountability Act of 1996, as amended, 18 USC 1001, and also may subject me and the SLFRF Recipient to civil penalties, damages, and administrative remedies for false claims or otherwise (including under 31 USC 3729 et seq.) The undersigned is an authorized representative of the SLFRF Recipient with authority to make the above certifications and representations on behalf of the SLFRF Recipient.

By signing this report, the Authorized Representative for Reporting acknowledges in accordance with 31 CFR 35.4(c) that recipients shall provide to the Secretary periodic reports providing detailed

accounting of the uses of funds, as applicable, all modifications to a State's or Territory's tax revenue sources, and such other information as the Secretary may require for the administration of this program. In addition to regular reporting requirements, the Secretary may request other additional information as may be necessary or appropriate, including as may be necessary to prevent evasions of the requirements of this program. False statements or claims made to the Secretary may result in criminal, civil, or administrative sanctions, including fines, imprisonment, civil damages and penalties, debarment from participating in Federal awards or contracts, and/or any other remedy available by law.
