Richland tax auction open until Monday

Richland County is accepting sealed bids through Monday on 300 pieces of property whose owners are behind on taxes.

The land, which generates more than \$1 million in city, county and school taxes, did not sell at the November tax sale.

Treasurer David Adams said in a news release that the auction will be the largest of its kind since records have been kept.

More information is available at www.rcgov.us/treasurer.
