**CONSERVATION PRINCIPAL OF THE YEAR
2009**

March 2, 2009

Dear School Secretary:

Each year the Richland Conservation District recognizes one of our local principals for their support of conservation education. We have seen that there are principals who incorporate conservation in their school's curriculum by encouraging demonstrations, exhibits, outdoor classrooms, conservation contests, and beautification projects on school grounds.

Enclosed is an application form which should be submitted to the Richland Conservation District, 2020 Hampton Street, Room 3063A, Columbia, SC 29204, by April 10, 2009.

I appreciate your willingness to help us honor your principal. A selection committee will choose the Principal of the Year for 2009 to be recognized at the Richland Conservation District Awards Banquet in May.

If you feel you cannot make this nomination, please forward it to someone who can, for example, a teacher, a curriculum coordinator or an assistant principal. If you have any questions, please call our office at 576-2080.

Sincerely,

Mary Jane Henderson
Education Coordinator
